

ITSR STUDENT ASSOCIATION 2021-2022

ITSR Students' Association is a democratically elected Association which is vested with the responsibility of organizing various activities for the benefit of the students. One of the senior faculty is given the charge of the Associate Patron who coordinates the activities of the Students' Association at the College level. There are a number of constituent clubs and associations under the Students' Association such as Nature Club, English Club, and other clubs. Each of these constituents has elected Secretaries who are supported by a Faculty Member nominated by the Head of the Institution to oversee the activities of the clubs.

One important component of the Students' Association is the Magazine Committee, which has an elected student secretary and a nominated staff editor from the faculty. This committee brings out Wall Magazines periodically and College Magazines are published every possible years. The Wall Magazines as well as College Magazines provide excellent opportunities for students to give expression to their creative thinking and imagination.

OUR OBJECTIVES

The Students' Association organizes a wide range of programmes with the Co-operation of the Faculty, non-teaching staff and outsiders.

They not only undertake cultural and educational programmes, but also programmes aimed at personality development as well as career development of the students.

ITSR Student Association's activities enable the students to develop leadership qualities and organizational capabilities which go a long way as a capacity building support system.

To develop positive relationships with the general public through participation in community service and other related programmes.

To gives the suitable opportunities for a healthy social life through the arts, sports, and entertainment for ITSR students.

FINE ARTS FESTIVAL

22/04/2021

ITSR gives equal importance to academic and non academic areas. The college Arts festival is conducted each year with unique names. In order to ensure the maximum participation from every student and to inculcate in them a spirit of competition, all the students are grouped into four houses. The competitions are conducted house wise. Due to the Pandemic situation, the offstage items like Essay Writing, Poetry, Elocution, Quiz, Water Colour, Oil Painting, Cartoon, Pencil Drawing, Clay Modelling, Collage, and Poster Making were conducted.

WORLD ENVIRONMENT DAY, 05 JUNE 2021

World environment day is not just a celebration but also a reminder to take best care of our surroundings. Every year, 5th June is celebrated as “World Environment Day” to encourage awareness for nature and work for its protection. World Environment Day came into existence in 1972 by the United Nations Assembly on the first day Stockholm Conference held on the human environment and later in 1974, the day started to be celebrated with the theme “Only One Earth”. The theme of World Environment Day 2021 is Reimagine, Recreate , Restore – means preventing the halting & reversing the damage –to go from exploiting nature to healing it.

ITSR Student Association celebrates the 2021 world environment day on June 5. The programmes included tree plantation, expert talks on hazards of plastic wastes and a cleaning process which ensure a litter free campus. This campaign helps to raise awareness among students about the environmental issues as well as take positive environmental actions.

The Programme started with the welcome speech of Mr.Rahul KK, (Association secretary), who welcomed the attendees and spoke briefly about the world environmental day. He also stressed on importance of environmental conversation.

The Chief Guest for the programme was Mr.Jayakrishnan, municipality councillor Sulthanbathery, presiding over the function and giving all present an inspiration to develop an appropriate outlook towards the environment. Mr.Mujeebu Rahman Vazhakunnan, (Faculty in sociology) and Mr.Shabeesh.P (coordinator IQAC) and also Shamnas.MP (Librarian) spoke on how important it is for the youth to preserve and protect nature. They can change their lifestyle and also understand how it affects the environment. They can make their homes, colleges, surroundings more environmental friendly by adopting practices, recycling of different materials as well as preserving resources such as water and electricity. After the inauguration session the association led to plant the trees around the Campus.
